UPCOMING EDUCATIONAL EVENTS

Commercial Lending School

St. Louis, Missouri – March 26-29, 2019
Rocky Hill, Connecticut - April 29 – May 2, 2019

The Commercial Lending School delivers in-depth training in all facets of commercial lending, with an emphasis on financial analysis, cash flow versus profit, and loan structure. Cases emphasizing small and medium-sized companies are featured. The instruction will be led by a team of senior bankers and consultants. Case studies are used extensively, and active participation by the students is essential. The work will require study, documentation, analysis and decision making, often in small teams that will interact intensively with the instructors, both during the day and in the evening.

Federal Compliance School

Rocky Hill, Connecticut - April 29 – May 2, 2019
Golden, Colorado – June 4-7, 2019

CFT’s Annual Bank Compliance School gives you what you need to handle compliance in today’s environment. You’ll receive the most current information, interpretation, tools and techniques to maintain a well-documented compliance program that includes an institution-wide monitoring, audit and training program. You’ll listen and talk with some of the best compliance consultants, managers, and experts in the industry.

Bank Trainers Conference

Atlanta, Georgia
May 7-9, 2019

The Center for Financial Training and Total Training Solutions are excited to host this exciting “Train-the-Trainer” event designed exclusively for bank and credit union training professionals. Nationally Recognized Keynote Speakers, Informative Breakout Sessions, a State-of-the-Art Tradeshows, and Unique Networking Events with the nation’s top trainers will inspire and enlighten you!

Business Credit Analysis School

St. Louis, Missouri – March 26-28, 2019
Rocky Hill, CT – April 29 – May 1, 2019

Business lending can both diversify a financial institution’s loan portfolio and increase its return on assets. In order to be successful in business lending, financial institutions need to have highly qualified personnel skilled in analyzing the creditworthiness of business requests. The goal of this School is to develop analytical skills. At the conclusion of the program, you will thoroughly understand and discuss subjects that need to be addressed as part of a comprehensive credit analysis report.

Call Report Preparation 2019 Seminar

St. Louis, Missouri – March 28-29, 2019
Westminster, Colorado – June 25-26, 2019

The Call Report is constantly changing, producing confusion and many questions. The seminar will provide basic training for new preparers and complete coverage of new and complex issues for experienced preparers. The Call Report seminar presentation will be in the order of the schedules, starting with the Income Statement schedules followed by all Balance Sheet schedules. New, proposed, and revised changes will be discussed with the schedules they will impact and a summary of all recent updates will be included at the end of the manual.

THE TRAINER’S TOOL KIT

Create an Employee Development Plan

Banks and Credit Unions face the challenge each year of how to spend their training budget in a way that will not only benefit their employees, but the overall goals of the company. Managers are busy with day-to-day tasks and find it difficult to spend time directing their employees’ development. Many times employees take classes that don’t have any relevance to their current or desired position.

How can managers easily assist their employees in making choices that will not only benefit the employee, but the company as well? Simple, let CFT assist you in designing an Employee Development Plan (EDP). Request more info at marta@cfteducation.org.

Bring CFT Courses In-House

Virtually any course or seminar that CFT offers can be brought onsite (or delivered as a private online class) and taught to your employees at a time convenient time for your company. For certain courses, you may also purchase CFT curriculum and teach the course in-house with an internal instructor.

Hire Training Experts to Support Your Internal Training

CFT has teamed-up with Learning Dynamics to bring you the finest consultants and trainers in the Country. Our new, comprehensive, portfolio of training and consulting services is available to you in a variety of formats as shown below:

Popular Topics:

- Leadership Development
- HR and Compliance
- Sales and Service
- Business Skills
- Banking-Specific Training and Services

GETTING STARTED AND STAYING ON COURSE

Are you ready to learn more about banking, but not sure where to begin?

Getting started with your CFT education is as easy as registering for your first course. There are no registration fees or application fees and CFT tuition is usually employer paid (please confirm your company’s tuition policy with your manager or supervisor). If your goal is to earn a CFT diploma or certificate, you may want to begin your studies with the Principles of Banking course. This course is a requirement of each one, and will give you a complete overview of the fundamentals of banking. Check out the Diploma and Certificate options on page 8!

Once you have registered for your first course, and selected the diploma or certificate you wish to complete (not mandatory, but highly recommended), we will monitor your progress and keep you informed of your status along the way. Your official diploma or certificate will be issued to you when you have completed the required courses and electives. It’s that easy!

Why CFT is Your Best Choice for Professional Training:

- CFT specializes in education and training solutions for banks and credit unions, featuring the popular course Principles of Banking
- CFT delivers education and training in today’s relevant topics, including: accounting and finance; credit and lending; management and supervision; communication skills; retail banking and teller operations; sales and service; operations and technology

How your company benefits from “The CFT Advantage”:

- Improved productivity and profitability
- Improved employee retention and morale
- Increase customer satisfaction and retention
- Informed employees stay on top of compliance issues, decreasing company liability
**ON-LINE COURSES**

**How an Online Course Works:** Utilizing a website classroom and e-mail, students will read an online lecture, a chapter in their textbook, and complete an online assignment each week. The weekly assignment can be completed when convenient for the student. There are no set times for which you need to login. Quizzes and exams are also administered electronically. Tuition shown includes the textbook and is subject to change.

# GUIDED SELF-STUDY COURSES

**How A Self-Study Course Works:** You may register for and begin a Guided Self-Study Course at any time throughout the year. You will be required to study on your own; however, you will have an instructor only an email or telephone call away. Upon registering for a three credit course, you will be mailed a textbook, a syllabus outlining your course, and your first of two open-book quizzes. Your exams will be proctored by an officer or manager at your financial institution. If you are registering for a guided self-study class with less than three credits, you will be sent everything you need to complete the course, including a syllabus outlining your course. Courses with less than three credits are open book; therefore, proctors are not needed for exams. For all guided self-study courses, an advisor at the CFT office will keep in touch with you to provide additional assistance to help keep you on schedule. Upon satisfactory completion of your course, you will receive your grade and the appropriate credits for the course. If you have questions about CFT’s Online or Guided Self-Study courses, please call 800-795-5242. Students are given up to 4 months to complete a 3.00 credit course, 3 months for a 2.00 credit course, and 1 month for a 0.25 credit course. Tuition shown includes the textbook and is subject to change.

These CFT courses will carry the same ACE college credit transfer recommendation, whether taken via classroom, online, or guided self-study.

ACE CREDIT connects workplace learning with colleges and universities by helping adults gain access to academic credit at colleges and universities for formal courses and examinations taken in the workplace or other settings outside traditional higher education.

CFT educational programs deliver real value and industry-specific training to employees in the financial services community. CFT curriculum often ties directly to the financial institution's corporate training. The American Council on Education's (ACE) College Credit Recommendation Service provides the added value of credit toward a college degree. Students who successfully complete ACE-evaluated CFT courses are able to have college credit recommendations from the ACE Transcript Service, a central national database, submitted to various institutions of higher learning for consideration.

In addition to the ACE CREDIT transfer recommendations, CFT has transfer credit agreements with several local colleges and universities. These agreements detail exactly which CFT course credits will be accepted, and to which college courses they will be applied. Students will find business and banking related degree programs at these colleges that will complement their CFT course work.

For more information on CFT's diplomas and certificates, the American Council on Education college credit transfer recommendations, and affiliated college degree programs, please call 800-795-5242 x1176, send an e-mail to deb@cfteducation.org, or visit [www.cftnow.org](http://www.cftnow.org).
STUDENT POLICIES

Code of Ethics and Conduct

The Center for Financial Training recognizes that it takes more than quality education and a commitment to the financial services industry to be successful in accomplishing our mission. We rely heavily on our solid reputation for honesty, fairness, and ethical conduct to attract our students, recruit quality instructors, and retain the high level of customer retention and respect that we have worked so hard to achieve. Our reputation ultimately rests on the good judgment and personal integrity of everyone - staff, volunteers, students, instructors, and all other individuals and organizations - involved with CFT.

Academic Integrity

CFT strongly supports the concept of academic integrity and seeks to foster sound moral behavior in its students and faculty. Academic dishonesty can take many forms, including cheating on examinations, plagiarism, helping others to commit dishonest acts, etc., and must never be tolerated. Students engaging in academic dishonesty are subject to serious consequences. Instructors who observe or suspect an incident of academic dishonesty shall bring it to the attention of an appropriate office official immediately, for prompt investigation, review, and action.

CFT Grading System

The Center for Financial Training uses an official letter grading system for courses eligible for awarding credit. Letter grades are awarded as follows:

A = (90-100) Superior
B = (80-89) Excellent
C = (70-79) Satisfactory
D = (60-69) Lowest Passing
F = (< 60) Failing
I = Incomplete (If the work is not completed within one month of the conclusion of the course, the "I" automatically becomes an "F").
P = Passing (This grade is used for programs of less than two credits, for which the letter grading system is inappropriate.)
T = College Credit (This grade is recorded for transfer credit from accredited colleges and universities.)
W = Withdrawal (An "F" will be recorded by the CFT office if the student has not withdrawn in writing.)

Non-Discrimination Clause

The Center for Financial Training does not discriminate in its educational and employment policies on the basis of race, color, creed, religion, national/ethnic origin, sex, sexual orientation, gender identity and expression, genetic information, age, disability, or service in the military or other uniformed services.

STUDENT ACADEMIC RECORDS

The Center for Financial Training follows a strict confidentiality policy regarding CFT student records. All requests for CFT student records must be in writing from the student. The one exception to this requirement is for the appropriate representative at the student's financial institution to receive the student's grade upon the completion of classes, and periodically receive transcript information on employees for personnel files. Students sign an authorization to release this information to their employer when they register for a CFT course. Following are the types of recordkeeping services available from the Center for Financial Training:

Student Transcripts

The Center for Financial Training maintains all student records on a permanent file at the CFT office. Students who wish to obtain a copy of their CFT student records should complete the Center for Financial Training Recordkeeping Services Request Form found on page 21. Most colleges and universities require an official transcript when students request a transfer of CFT credit. An official transcript costs $10.00 and includes an unofficial copy to the student. The official transcript fee, along with the Recordkeeping Services Request Form, must be mailed to the CFT office.

Transfer Credit Evaluation

CFT accepts transfer college credits from most colleges and universities, and can award credit for a variety of other training programs students have taken outside of CFT. In order to receive transfer credit into a CFT student's record, students will need to complete the Center for Financial Training Recordkeeping Services Request Form (p. 21), and forward it to the Center for Financial Training office, along with the $30.00 transfer credit evaluation fee. Please instruct your college to send your official transcript directly to the CFT office. Upon completion of the transfer credit evaluation by the Center for Financial Training, students will receive a CFT transcript reflecting which college credits were accepted into their CFT student record.

Diploma and Certificate Eligibility

Diplomas and Certificates are issued each Spring to eligible students. To confirm and request a diploma or certificate at any other time, please complete the Student Recordkeeping Services request form on page 21.

Diploma or Certificate Replacement

The fee to replace a lost CFT diploma or certificate is $10.00. To request a replacement diploma or certificate please complete the Student Recordkeeping Services request form on page 21.

Student Request for Recordkeeping Services Form

A copy of the Recordkeeping Services Request Form can be found on page 21. Please make copies of this form as needed, or call the CFT office at 800-795-5242, and we will mail or fax one to you. You can also obtain the Recordkeeping Services Request Form on our website located at www.cftnow.org.

19
The Center for Financial Training requires all students who enroll in CFT courses to sign a registration form which states that they have read and understand the CFT withdrawal policy. Students who must withdraw from a CFT course should submit a completed Course Withdrawal Form to the CFT office. Employers may seek reimbursement from students who incur withdrawal charges.

**Instructor Facilitated Online Course Withdrawal Policy**

A student who must withdraw from a CFT instructor-led on-line course must submit a completed Course Withdrawal Form. Students who withdraw 7 days or more before the start date of class are not subject to a withdrawal fee or tuition charge. Students who withdraw between 6 days before the class begins and 10 business days from the start date will be responsible for a withdrawal fee of $125.00 plus book cost (if applicable) unless the book is returned in new condition within 7 days of the withdrawal. A student who withdraws after 10 business days from the start date will be responsible for the full class tuition.

**Guided Self-Study Course Withdrawal Policy**

A student wishing to withdraw from a Guided Self-Study Course must submit a Course Withdrawal Form within seven days of the course start date in order to receive a refund, less a $125.00 per course withdrawal fee. The student is also responsible for the book cost unless the book is returned in new condition within seven days of the withdrawal. There will be no refunds given after the seven-day period. All students who withdraw after the initial seven-day period will be responsible for the full tuition amount, and must submit a completed Course Withdrawal Form in order to receive a course grade of “W” rather than an “F”.

A one-time extension of 60 days may be granted to Guided Self-Study students on an individual basis. All requests for extensions must be made in writing prior to the scheduled ending date of the program. A $100.00 extension fee will be due and payable by the student before an extension becomes official.

**Seminar and Specialty School Withdrawal Policy**

Cancellations received at least seven days prior to the scheduled program date will receive a full refund or a credit toward a future CFT seminar/school. Cancellations received less than seven days prior to the scheduled program date will not receive a refund or a credit. Substitutions may be made at any time. No-shows will be charged the full amount due.
